

Ohio Partnership of Families Impacted by Opioids

Our Vision:

To ensure a legacy of hope and security for Ohio families impacted by the opioid crisis.

Our Mission:

To support a collaborative family approach that strengthens, empowers and uplifts Ohio communities impacted by the historical, current, and future opioid crisis by advocating at the local, state and federal levels to leverage opioid settlement funds.

Our Guiding Principles:

- Educate community members and legislators on the opioid crisis
- Advocate for impacted families to have a seat at the decision-making table
- Promote awareness of and healing for families devastated by opioids in Ohio
- Ensure no Ohio family is alone in the opioid crisis

Ohio Partnership of Families Impacted by Opioids Member Organizations:

The Ohio Partnership of Families Impacted by Opioids is a collaborative group of individuals, advocates, and families working together under the fiscal sponsorship and strategic consulting of Health Impact Ohio, a 501 (c) 3 statewide health improvement collaborative.
